Policing Academy

The Sixth Form Policing Academy is a specialist programme designed to inspire, support, and engage students who are interested in a career in the Police. It offers a practical insight into the recruitment process, initial training, and what life is like in the force. To be eligible, students should be enrolled on either Single or Triple Vocational Public Services.

Student Quote:

Laiba Ilyas

"The Policing Academy gave me the skills and confidence I needed to succeed on my journey into the Police. The sessions were hands-on, and the Officers were incredibly supportive. I'm glad I signed up for it and would recommend it to all Public Services students."

What can you expect:

- Public Order Training
- Major Incidents Training Day
- Explore different careers and pathways
- Interviewing techniques in a custody suite
- Stop & search session
- Visit to the Police Museum
- Guest speaker talks

*Activities may vary each year

Student Quote:

Amna Frmic

"I gained a great understanding of what it's like to become a Police Officer and developed a wide range of skills that will benefit me going forward. The sessions were fun, and very worthwhile."
